2016 Big I Pac Contributors

IIABW would like to thank its members for contributing over \$30,000 to BIG I PAC, our state political action committee. Your contributions are used to support candidates who advance IIABW's core principles on agent-specific, insurance industry and general business issues. Support from our membership has helped the Big I be effective advancing agent issues in Olympia, including low B & O tax rates and no capital gains taxes, reasonable anti rebating/inducement laws, agent friendly health care exchange, fair regulations, etc.

Simply put, a PAC contribution is the equivalent of purchasing political insurance. We pool your hard earned dollars to send a powerful message: IIABW agents care about the political make-up of Olympia, we care about our industry's future, and we care about our customers.

IIABW is a strong voice for independent insurance agents in Olympia. We're trusted and respected in both Republican and Democratic camps because legislators know you at home, hear from you when you're in Olympia, and count on your support when it really matters. Personal AND corporate contributions can be made to the Big I Pac and sent to: Big I Pac, 11911 NE 1st St., Suite B103, Bellevue, WA 98105.

Thank you to the following agencies who have contributed to BIG I PAC.
