

Thank You For Your Investment in InsurPac in 2016

IIABW would like to thank our members who collectively contributed \$15,000 in individual contributions to our national political action committee, InsurPac. Nationally, over \$1 million was raised in 2016.

We would like to say a special thank you to Sue Knobeloch of ARM Northwest who serves on our national association's Board of Directors and is our state's InsurPac Chair. Also, thanks to the agencies who raised the most from their employees and owners:

- HUB International NW
- Stonebraker McQuary Agency
- Propel
- ARM Northwest

InsurPac is one of the reasons why the Big I is routinely rated in Fortune magazine's top-25 list of most successful lobbying groups in Washington D.C. By pooling individual contributions, InsurPac helps elect candidates and re-elect members of the U.S. Congress who share the Big I's business philosophy.

While contributions do not buy solutions to legislative debates, they do allow the Big I significant 'face time' with very busy elected officials to give us an opportunity to educate them.

Thank you to the over 60 agents and brokers who have contributed to InsurPac in 2016.
