

Independent Insurance Agents  
& Brokers of Washington

## Big I Pac: An Industry Leader

IIABW would like to thank its members for their support of the BIG I PAC, our state political action committee. 120 agencies have contributed over \$27,000 to the PAC in 2019. Support from our membership has helped the Big I be effective advancing agent issues in Olympia, including no state capital gains taxes, fair non compete agreements, reasonable insurance regulations, agent friendly health care exchange, etc.

Simply put, a PAC contribution is the equivalent of purchasing political insurance. Your contributions are used to support elected officials and candidates who advance IIABW core principles on agent-specific, insurance industry and general business issues. We pool your hard-earned dollars to send a powerful message: IIABW agents care about the political make-up of Olympia, we care about our industry's future, and we care about our customers. We back up our talk by actively participating in the political process with a proactive lobbying presence, a major PAC presence and broad-based grassroots relationships in every legislative district.

IIABW is a strong voice for independent insurance agents in Olympia. We're trusted and respected in both Republican and Democratic camps because legislators know you at home, hear from you when they're in Olympia, and count on our support when it really matters.

Personal AND corporate contributions can be made to the Big I Pac and sent to: Big I Pac, 11911 NE 1<sup>st</sup> St., Suite B103, Bellevue, WA 98105.

Thank you to the following agencies who have contributed to BIG I PAC.
