

Supporters of InsurPac in 2019

IIABW would like to thank our members who collectively contributed over \$11,000 in individual contributions to our national political action committee, InsurPac. Nationally, well over \$1 million was raised in 2019.

We would like to say a special thank you to Lori Reed of Mitchell Reed & Schmitten who has served on our national association's Board of Directors and our state's InsurPac Chair. Also, thanks to the agencies who raised the most from their employees and owners:

- Propel
- Merrill & Merrill
- Mitchell Reed & Schmitten

InsurPac is one of the reasons why the Big I is routinely rated in Fortune magazine's top-25 list of most successful lobbying groups in Washington D.C. By pooling individual contributions, InsurPac helps elect candidates and re-elect members of the U.S. Congress who share the Big I's business philosophy.

While contributions do not buy solutions to legislative debates, they do allow the Big I significant 'face time' with very busy elected officials to give us an opportunity to educate them.

Thank you to the over 73 agents and brokers who have contributed to InsurPac in 2019.
