

IIABW Membership Invoice

Independent Insurance Agents & Brokers of Washington

September 1, 2025 – August 31, 2026
Renewal Payment Due on September 30, 2025

Dues Calculation

IIABW collects dues based on the number of licensed employees in the agency's main office and branches. Employees include all officers, owners, partners, producers, CSRs, etc. in the insurance and employee benefits departments. Employees who work 30+ hours per week should be counted as '1' and those who work under 30 should be counted as '1/2' (round fractions down)

Based on the information we have for your agency; we have computed your annual membership dues below. If any of this information is not accurate, please contact us so that we can produce a corrected invoice for you.

You can pay your annual dues in full by September 30th or pay it quarterly on Sept. 30, Dec. 31, March 31 and June 30. Quarterly payments will require a credit card that we can use to make your quarterly payments with.

We have also included a suggested contribution to Big I PAC, your association's state political action committee which supports legislative candidates who support IIABW's political agenda of fair insurance regulations and taxes. Your contribution to the PAC is voluntary but is essential for IIABW to effectively represent your business interests.
