

RLI New Business Contest

About RLI's Umbrella

IIABW has been partnering with RLI (A+ rated by A.M. Best) for over 25 years. RLI's Standalone Personal Umbrella is available in limits of \$1-5 million and excess uninsured/underinsured motorist coverage is available. RLI has broad underwriting guidelines and a self-underwriting app.

RLI's Web Portal

RLI has a powerful web portal which can save you time checking on current policies and writing new ones. The portal (<https://myportal.rlicorp.com>) enables producers to

- obtain quotes,
- submit business,
- check existing policy/payment status,
- obtain PDFs of policies, renewal questionnaires, bills.

You even have the ability to submit new business entirely online, using e-signature and an electronic payment option (or you can email the application and provide payment info separately).

Win \$100 or a Free Pair of Maui Jim's Sunglasses

The Independent Insurance Agents & Brokers of Washington and RLI are kicking off a monthly sales contest which starts January 15, 2020.

We will do a drawing each month of all producers who write new RLI Umbrella or In Home Business policies using the new RLI web portal. For every new piece of business you write, your name is put into that month's drawing. You can win either a \$100 Amazon gift card or a gift certificate for a pair of Maui Jim's sunglasses (valued up to a \$400—www.mauijim.com).

For more information about the RLI Personal Umbrella or In Home Business policies, the new web portal or about this contest, contact Ridge at rli@wainsurance.org or at (425) 336-0847.
