

Industry NFL Game Picking Contest

IIABW's Young Agents and IPFS created a fun way for industry professionals to remotely compete against each other. Over 100 industry professionals from member agencies, wholesalers, carriers, and vendors participated in the free NFL game picking contest. Over \$1,400 was given by IPFS to winners throughout the season. Thanks for everyone who participated, and we look forward to another season next year (and hopefully a more competitive Seahawks team as well).
