

NFL Weekly Pick Contest

\$1,400 in Prizes

IIABW's Young Agents and IPFS have created a fun way for industry professionals to compete against each other during the NFL football season. Staff from agencies, wholesalers, carriers and vendors are encouraged to sign up for our free NFL Pick'em contest. Just register on the ESPN website and take a couple minutes each week to predict the winners of each NFL game. Whoever picks the most game winners each week will receive \$25. Just for signing up you could win \$100 drawing. The person who picks the most winners throughout the season will receive \$500. Over \$1,400 in prizes will be given out this year!

Step 1 – Join Our Group

1. Click on the link and then on "Join Group"
2. Click on "Sign Up" and create a free account
3. Send an email to Jared Holder (jared.holder@ipfs.com), our group's commissioner, so he can send you weekly updates and, if you win, your prizes!

Step 2 - Make Your Picks

Each week, pick the team you think will win each NFL game (straight up - without the spread) before the beginning of the game. Each Wednesday, our commissioner will send out an email reminder to make your picks and to share the leaders. You will receive 10 points for each win. Check the Group Results so you can see how you are doing compared with your competition.

Step 3 – Claim Your Prize

Each week, the industry professional who picked the most winners will receive a gift card for \$25. At the end of the regular NFL season, the person who picked the most winners will receive \$500, Second Place \$250 and Third Place \$100.

If you have any questions, contact our group's commissioner, Jared Holder (jared.holder@ipfs.com) or Dan Holst (dholt@wainsurance.org).
